WHO IS

Showrocka is an independent artist hailing from New Haven, CT, specializing in intricate lyricism and clever wordplay over hardcore hip-hop production. He stands as the archetype of the modern resurgence of raw, grimy hip-hop while still maintaining the flash and commercial appeal that captivates audiences of all backgrounds.

In 2022, Showrocka secured a spot as a semi-finalist in the Meta (Facebook) Bars App \$10,000 rap challenge, and he was crowned the champion of the Jadakiss Bars App challenge. His remarkable talent continued to shine in 2023 when Showrocka was named Top Spitter of the year by the UK-based platform Topspitter. As a result, he received the Grand Prize, which included a song and video collaboration with Grafh and an EP produced by Team Bang/Dopegang's Jay Dubh and Pages.
